**'Review Once a Midwife A Hope River Novel by Patricia**

April 25th, 2020 - I was drawn to this book because of the midwife theme The rest of the book was extra fluff

Patience keeps a journal mainly detailing the midwifery events This journal is the background for the book

I've given this book an okay rating It's not that I don't like it I did read it quickly It just didn't sweep

---

April 21st, 2020 - Once a Midwife A Hope River Novel Written by Patricia Harman Review by Helene Williams In Harman's third volume of the Hope River series midwife Patience Hester must use all her skills medical physical and emotional to get through the difficult year of 1942
